The Encyclopedia of Me Oct 28 2022 Tink Aaron-Martin has been grounded AGAIN after an adventure with her best friend Freddie Blue Anderson. To make the time pass, she decides to write an encyclopedia of her life from "Aa" (a kind of lava--okay, she cribbed that from the real encyclopedia) to "Zoo" (she's never been to one, but her brothers belong there). As the alphabet unfolds, so does the story of Tink's summer: more adventures with Freddie Blue (and more experiences in being grounded); how her family was featured in a magazine about "Living with Autism," thanks to her older brother Seb--and what happened after Seb fell apart; her growing friendship, and maybe more, with Kai, a skateboarder who made her swoon (sort of). And her own

sense that maybe she belongs not under "H" for "Hideous," or "I" for "Invisible," but "O" for "Okay." Written entirely in Tink's hilarious encyclopedia entries, *The Encyclopedia of Me* is both a witty trick and a reading treat for anyone who loves terrific middle-grade novels.

GodPretty in the Tobacco Field Aug 14 2021 A rural Kentucky teenager comes of age in the summer of 1969 in this novel by the New York Times–bestselling author of *The Book Woman of Troublesome Creek*. Nameless, Kentucky, in 1969 is a hardscrabble community where jobs are few and poverty is a simple fact—just like the hot Appalachian breeze or the pests that can destroy a tobacco field. RubyLyn Bishop is luckier than some. Her God-fearing uncle, Gunnar, has a short fuse and high expectations, but he's given her a good home ever since she was orphaned at the age of five. Yet now a month shy of her sixteenth birthday, RubyLyn itches for more. Maybe it's something to do with the paper fortunetellers RubyLyn has been making for townsfolk, each covered with beautifully wrought, prophetic drawings. Or perhaps it's because of Rainey Ford, her black neighbor who works alongside her in the tobacco field and with whom she has a kinship—despite the disapproval of others. RubyLyn's predictions are just wishful thinking, not magic at all, but through them she's imagining life as it could be, away from the prejudice and hardship that ripple through Nameless... "A voice rich and authentic, steeped in the somber beauty that defines life in the South."—David Joy, author of *When These Mountains Burn* "Richardson's brilliant writing made me feel as though I were

transported back in time...and actually there witnessing this poignant heartfelt story.”—Charles Belfoure, New York Times–bestselling author of *The Fallen Architect* “A reader always recognizes when the author has poured her soul into a body of work. [This] is a tender, beautifully written second novel.”—Ann Hite, author of the *Black Mountain* series

Gateway to the Moon Jun 12 2021 In 1492, two history-altering events occurred: the Jews and Muslims of Spain were expelled, and Columbus set sail for the New World. Many Spanish Jews chose not to flee and instead became Christian in name only, maintaining their religious traditions in secret. Among them was Luis de Torres, who accompanied Columbus as an interpreter. Over the centuries, de Torres' descendants traveled across North America, finally settling in the hills of New

Mexico. Now, some five hundred years later, it is in these same hills that Miguel Torres, a young amateur astronomer, finds himself trying to understand the mystery that surrounds him and the town he grew up in: Entrada de la Luna, or Gateway to the Moon. Poor health and poverty are the norm in Entrada, and luck is rare. So when Miguel sees an ad for a babysitting job in Santa Fe, he jumps at the opportunity. The family for whom he works, the Rothsteins, are Jewish, and Miguel is surprised to find many of their customs similar to those his own family kept but never understood. Braided throughout the present-day narrative are the powerful stories of the ancestors of Entrada's residents, portraying both the horrors of the Inquisition and the resilience of families. Moving and unforgettable, Gateway to the Moon beautifully weaves the journeys of the converso Jews into the larger American story.
