Perfect for both mums and dads to share with their little ones. Can this skeptical player let down his guard long enough to let love into his life, or is this forbidden romance a train wreck in the making? Ryan James doesn't believe in love. It's a truth he learned early in life. A truth he carried with him into adulthood. He broke his golden rule one time, but Myndi trampled all over his heart, cementing his belief that love is a lie and not worth the effort. Now he's returned to his cynical views and promiscuous lifestyle, racking up more notches on his bedpost than he can count. Until Summer Petersen comes crashing into his world, threatening to knock down his walls with her tempting body and sunny, sweet personality. Summer is determined to lose her V-card before she starts freshman year of college, and the hot, older guy with the cute dimples, dazzling smile, and rippling biceps is just the man for the job. Ryan doesn't take much persuading, and he rocks her world, giving her a night to remember. When they walk away, there's an unspoken agreement it was a one-time thing. Ryan doesn't do feelings, and Summer doesn't want to be tied down at eighteen. But when she moves into her brother Austin's apartment, she's shocked to discover her new roomie is the guy who recently popped her cherry. Ryan can't believe he slept with Austin's baby

sister, and if he finds out, he'll literally kill him. Keeping their hook up a secret is nonnegotiable. Keeping his thoughts, and his hands, off Summer, less so. Because the longer he's around her, the more he finds himself catching feelings for the gorgeous brunette. Summer doesn't want to care for her older brother's best friend, but Ryan makes her feel things she's never felt before, and she's slowly falling under his spell. Embarking on an illicit affair behind Austin's back has train wreck written all over it, but provided they keep their feelings in check, they can end this before he ever finds out. It's not like either of them is in love. Right? Emily and Eric tried to tolerate everything that was thrown at them but they couldn't survive it. They both made mistakes that lead their paths to take different directions. Emily found comfort in the arms of her friend, Alex. He was what she needed and he was trying to help her achieve her dreams of being an artist. Eric had been drafted into the pros and was moving to Denver without his family. He was struggling to find his way and when opportunity presented itself, he had to take it. But when tragedy hit, Emily was faced with a decision that she needed to make and she knew that there could be consequences. Will Emily and Eric find their way back to each other or will Alex steal her heart for good? Forever Love is the conclusion to Eric and Emily's story in the Now & Forever Series. Don't miss First Love (#1), Everlasting Love (#2) and take the journey through their love story. I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder-can I let her go, or could this one be forever? Nathan Gray's life has turned upside down and the last person he wants to see is Amy Sullivan.
