*Rebugging the Planet* Mar 18 2022 "This is a lovely little book that could and should have a big impact...Let's all get rebugging right away!"—Hugh Fearnley-Whittingstall Meet the intelligent insects, marvelous minibeasts, and inspirational invertebrates that help shape our planet—and discover how you can help them help us by rebugging your attitude today! Remember when there were bugs on your windshield? Ever wonder where they went? We need to act now if we are to help the insects survive. Robin Wall Kimmerer, David Attenborough, and Elizabeth Kolbert are but a few voices championing the rewilding of our world. Rebugging the Planet explains how we are headed toward “insectageddon” with a rate of insect extinction eight times faster than that of mammals or birds, and gives us crucial information to help all those essential creepy-crawlies flourish once more. Author Vicki Hird passionately demonstrates how insects and invertebrates are the cornerstone of our global ecosystem. They pollinate plants, feed birds, support and defend our food crops, and clean our water systems. They are also beautiful, inventive, and economically invaluable—bees, for example, contribute an estimated \$235 to \$577 billion to the US economy annually, according to Forbes. Rebugging the Planet shows us small changes we can make to have a big impact on our littlest allies: Learn how to rewild parks, schools, sidewalks, roadsides, and other green spaces. Leave your garden to grow a little wild and plant weedkiller-free, wildlife-friendly plants. Take your kids on a minibeast treasure hunt and learn how to build bug palaces. Make bug-friendly choices with your food and support good farming practices Begin to understand how reducing inequality and poverty will help nature and wildlife too—it's all connected. So do your part and start rebugging today! The bees, ants, earthworms, butterflies, beetles, grasshoppers, ladybugs, snails, and slugs will thank you—and our planet will thank you too.

**Green Beans** Dec 27 2022 Everybody obeys what Gramma says. Even the flowers and vegetables she plants grow the way she says they should! Then one day she plants green beans that simply will not listen to her. She works and works, and still they won't grow. When she leaves on a trip and comes back a week later, a surprise is waiting for her...And The reader!

**Rest Ye Murdered Gentlemen** Nov 14 2021 In Rudolph, New York, it's Christmastime all year long. But this December, while the snow-lined streets seem merry and bright, a murder is about to ruin everyone's holiday cheer in the first Year-Round Christmas mystery. As the owner of Mrs. Claus's Treasures, Merry Wilkinson knows how to decorate homes for the holidays. That's why she thinks her float in the semi-annual Santa Claus parade is a shoe-in for best in show. But when the tractor pulling Merry's float is sabotaged, she has to face facts: there's a Scrooge in Christmas Town. Merry isn't ready to point fingers, especially with a journalist in town writing a puff piece about Rudolph's Christmas spirit. But when she stumbles upon the reporter's body on a late night dog walk—and police suspect he was poisoned by a gingerbread cookie crafted by her best friend, Vicky—Merry will have to put down the jingle bells and figure out who's really been grinning about town, before Vicky ends up on Santa's naughty list...

**Go, Little Green Truck!** Jul 10 2021 Ready, set, go! Little Green is ready to rumble. He is a happy, busy little pickup truck who loves helping out on the farm. Until... He wakes up one morning to find a big new blue truck ready to take his place. But can Big Blue take on all the jobs? Even the small and gentle ones? With some love, care, and paint... Ready, set, go! Little Green is ready to rumble again, all the way to the farmers' market.

*Anansi and the Moss-Covered Rock* Jul 30 2020 "Anansi the Spider, a master trickster, uses the powers of a magical rock to dupe his neighbors...a musical introduction sets the mood...the text of the book is read clearly and expressively."-Booklist

*The Erratics* Aug 23 2022 Two sisters reckon with their toxic parents through the decline and death of their outlandishly tyrannical mother and with the care of their psychologically terrorized father, all relayed with dark humor and brutal honesty in this award-winning “brilliantly-written memoir... [that] reads like a novel” (best-selling author Margaret Atwood via Twitter). When her elderly mother is hospitalized unexpectedly, Vicki Laveau-Harvie and her sister travel to their parents' ranch home in Alberta, Canada, to help their father. Estranged from their parents for many years, they are horrified by what they discover on their arrival. For years their mother has camouflaged her manic delusions and savage unpredictability, and over the decades she has managed to shut herself and her husband away from the outside world, systematically starving him and making him a virtual prisoner in his own home. Rearranging their lives to be the daughters they were never allowed to be, the sisters focus their efforts on helping their father cope with the unending manipulations of their mother and encounter all the pressures that come with caring for elderly parents. And at every step they have to contend with their mother, whose favorite phrase during their childhood was: "I'll get you and you won't even know I'm doing it." Set against the natural world of the Canadian foothills ("in winter the cold will kill you, nothing personal"), this memoir—at once dark and hopeful—shatters precedents about grief, anger, and family trauma with surprising tenderness and humor.

*Hot for Teacher* Oct 13 2021

**Research Relating to Children** Mar 26 2020

*The Adventurous Eaters Club* Aug 19 2019 NATIONAL BESTSELLER TV star Misha Collins and his wife, journalist and historian Vicki Collins, show families how to be mealtime adventurers so that kids might have a lifelong relationship with real food Chicken nuggets. Hot dogs. Macaroni and cheese. These are just some of the greatest hits we offer kids at mealtime. Misha and Vicki Collins totally get it. When their son West was a toddler, he began refusing anything that wasn't bland and beige. At first, they succumbed, anything to end the mealtime battles. But with sinking hearts they realized fruit snacks and buttered noodles weren't just void of nutrition, they were setting him up for a lifetime with a limited palate and a reliance on convenience foods. So, as a family, they decided to lean into what they love best—adventure—and invited their kids to be playful and exploratory in the kitchen. Now, in *The Adventurous Eaters Club*, Misha and Vicki share how they created a home where mealtime doesn't involve coercion or trickery, and where salad, veggies, fresh soups, and fruit are the main course. Combining personal anecdotes and practical tips with over 100 creative, delicious, whimsical recipes little hands can help prepare *The Adventurous Eaters Club* offers readers all the support, encouragement, and practical advice they need to make lifelong adventurous eaters out of their kids.

**Strategy and Tactics of World Communism: The significance of the Matusow case**Nov 21 2019

*Visual Perception* Nov 26 2022 This comprehensively updated and expanded revision of the successful second edition continues to provide detailed coverage of the ever-growing range of research topics in vision. In Part I, the treatment of visual physiology has been extensively revised with an updated account of retinal processing, a new section explaining the principles of spatial and temporal filtering which underlie discussions in later chapters, and an up-to-date account of the primate visual pathway. Part II contains four largely new chapters which cover recent psychophysical evidence and computational model of early vision: edge detection, perceptual grouping, depth perception, and motion perception. The models discussed are extensively integrated with physiological evidence. All other chapters in Parts II, III, and IV have also been thoroughly updated.

*Gold Digger* Jan 16 2022 Book One of the Klondike Mystery Series by Vicki Delany! It's the spring of 1898, and Dawson, Yukon Territory, is the most exciting town in North America. The great Klondike Gold Rush is in full swing and Fiona MacGillivray has crawled over the Chilkoot Pass determined to make her fortune as the owner of the Savoy dance hall. Provided, that is, that her twelve-year-old son, growing up much too fast for her liking; the former Glasgow street fighter who's now her business partner; a stern, handsome NWMP constable; an aging, love-struck ex-boxing champion; a wild assortment of headstrong dancers, croupiers, gamblers, madams without hearts of gold, bar hangers-on, cheechakos, and sourdoughs; and Fiona's own nimble-fingered past don't get to her first. And then there's the dead body on centre stage. If you loved *Gold Digger*, check out the next three books of the series, *Gold Fever*, *Gold Mountain*, and *Gold Web*.

**The Magnificent Lizzie Brown and the Mysterious Phantom** Sep 12 2021 In nineteenth-century London Lizzie Brown wants nothing more than to escape from the slums and her drunk, abusive father, so finding work and friends in a passing circus seems like a dream come true — but when she starts to have visions she finds herself confronting the mysterious phantom of London.

*Vicki and a Summer of Change! ¡Vicki Y Un Verano de Cambio!*Feb 17 2022 Inspired by actual events in 1969, this beautifully illustrated book tells the story of how people in East Harlem, New York united with the Young Lords Organization to spark positive neighborhood changes.Vicki and A Summer of Change! ¡Vicki y un verano de cambio! follows Vicki and Valentina, her older sister, who live in East Harlem/El Barrio. The streets are overrun with rotting garbage because sanitation trucks rarely pick up trash in the neighborhood. Children and adults are getting sick.Members of the Young Lords Organization, Puerto Ricans, Latinx, and African Americans, start sweeping the streets. Valentina encourages Vicki to take part saying, "You're never too young to make a difference!" The sisters eagerly join their neighbors and discover that they can help change the world.

**A Promise to Ourselves** Feb 05 2021 "I have been through some of the worst of contentious divorce litigation," Alec Baldwin declares in *A Promise to Ourselves*. Using a very personal approach, he offers practical guidance to help others avoid the anguish he has endured. An Academy and Tony Award nominee and a 2007 recipient of Golden Globe, SAG, and Television Critics Association Awards for best actor in a comedy, Alec Baldwin is one of the best-known, most successful actors in the world. His relationship with Kim Basinger, the Academy Award-winning actress, lasted nearly a decade. They have a daughter named Ireland, and for a time, theirs seemed to be the model of a successful Hollywood marriage. But in 2000 they separated and in 2002 divorced. Their split--specifically the custody battle surrounding Ireland--would be the subject of media attention for years to come. In his own life and others', Baldwin has seen the heavy toll that divorce can take--psychologically, emotionally, and financially. He has been extensively involved in divorce litigation, and he has witnessed the way that noncustodial parents, especially fathers, are often forced to abandon hopes of equitable rights when it comes to their children. He makes a powerful case for reexamining and changing

the way divorce and child custody is decided in this country and levels a scathing attack at what he calls the "family law industry." When it comes to his experiences with judges, court-appointed therapists, and lawyers, Baldwin pulls no punches. He casts a light on his own divorce and the way the current family law system affected him, his ex-wife, and his daughter, as well as many other families. This is an important, informative, and deeply felt book on a contentious subject that offers hope of finding a better way.

*Sinfully Sexy* Apr 26 2020 In this enchanting contemporary romance, sure to delight readers of Rachel Gibson and Susan Elizabeth Phillips, a close encounter of the sexy kind leads a plain Jane to discover her wild side. Chloe Sinclair has never been bad . . . until she stumbles—literally—into the arms of a gorgeous stranger. To make matters worse, the morning after, her world is rocked completely off its axis when the sensual dreamboat turns out to be the man brought in to save the TV station where she works. Sterling Prescott is hard-driven, gorgeous as hell, and determined to turn the struggling KTEX into a success. But all bets are off when the shameless wildcat that disappeared on him last night walks back into his life—acting like a squeaky-clean librarian. Life gets truly complicated, however, when Sterling decides to win more than the station—and to show Chloe that being sexy isn't a sin.

*Bob and the Alien Escapade* Jan 24 2020 If he'd known then what he knows now, Bob probably wouldn't have accepted the job on board the Zareusis 940-X. After all, it's not much fun having your ship taken over by an alien crew. But when Bob gets sent on a secret mission to retrieve a dragon egg left over from the Great Marmalade Wars, he finds things looking up. As long as he can: 1.Deal with a troop of incompetent aliens; 2.Get himself out of jail; 3.Find a way to harness the power of the Pink Convoluted Fairy Tornado Bush and 4.Try not to fall over too many cliffs, ...then getting home should be a doddle. 'Bob and the Alien Escapade' is a fun-filled, action-packed space adventure for boys and girls aged 7 and above. Telling the story of Bob, the last remaining zobug on board the spaceship Zareusis 940-X, the book is a funny and heart-warming reminder of the importance of friendship, and how a little imagination and a generous dose of wishful thinking can sometimes be enough to get you out of a tight situation.

*Noble's Song* Jul 22 2022 A song can tell a thousand stories And break a million hearts When you have next to nothing, it's easier to be appreciative of what little you do have. Noble Lewis grew up with meager means yet her heart couldn't be purer. The day she lost her mama was the day she set out on her own, leaving behind the only place she'd ever known to find her place in the vast world. Her mama always told her to follow her heart, let it guide her. Her gentle and selfless nature is the one thing that her mama gave her but is she really prepared for what lies ahead?

**A Directory of UMTA-funded Rural and Specialized Transit Systems** Aug 11 2021

*The Final Storm* Apr 07 2021 The final installment of the thrilling The Door Within trilogy! Pure evil collides as Paragor, the betrayer of the one true King Eliam, unites with the Wyrm Lord and the mythical Seven Sleepers to launch a full-scale assault on the Kingdom of Alleble. And while their enemies plot their next attack, Alleble's remaining allies flee from the four corners of The Realm to safety within the Alleble's walls. Once there, the allies find the Kingdom crestfallen, grieving a fallen hero. While Alleble and its allies prepare to face the coming onslaught, they cling to an ancient legend about three witnesses who have the power to bring victory. But is the legend true? And if it is, where are the witnesses? Time is running out as darkness spreads over the Realm, and Paragor unleashes the final storm. But will anyone survive to see the dawn? With over 250,000 copies sold in The Door Within trilogy, this is a perfect time to introduce this bestselling series to a new batch of readers. The fantasy genre is wildly popular among young readers, and The Final Storm is thrilling end to this epic trilogy! Meets national education standards.

*Beyond Measure* Oct 01 2020 "From the director of Race to Nowhere comes a ... book for parents, students, and educators on how to revolutionize learning, prioritize children's health, and re-envision success for a lifetime"--

**The Magnificent Lizzie Brown and the Fairy Child** Dec 15 2021 When the circus arrives in Edinburgh, Lizzie finds herself in competition with a fraudulent medium and in the process meets the local wealthy mill owner and his very young orphaned niece Amelia, who becomes enthralled by the magic of the circus--and when Amelia disappears during a "fairy hunt" while Lizzie was watching her, she finds herself under suspicion and needs to use her own visions to find the kidnapper and save the child.

*The Columbia Guide to Social Work Writing* Sep 19 2019 Social work practitioners write for a variety of publications, and they are expected to show fluency in a number of related fields. Whether the target is a course instructor, scholarly journal, fellowship organization, or general news outlet, social workers must be clear, persuasive, and comprehensive in their writing, especially on provocative subjects. This first-of-its-kind guide features top scholars and educators providing a much-needed introduction to social work writing and scholarship. Foregrounding the process of social work writing, the coeditors particularly emphasize how to think about and approach one's subject in a productive manner. The guide begins with an overview of social work writing from the 1880s to the present, and then follows with ideal strategies for academic paper writing, social work journal writing, and social work research writing. A section on applied professional writing addresses student composition in field education, writing for and about clinical practice, the effective communication of policy information to diverse audiences, program and proposal development, advocacy, and administrative writing. The concluding section focuses on specific fields of practice, including writing on child and family welfare, contemporary social issues, aging, and intervention in global contexts. Grounding their essays in systematic observations, induction and deduction, and a wealth of real-world examples, the contributors describe the conceptualization, development, and presentation of social work writing in ways that better secure its power and relevance.

*A Winter Kill* May 28 2020 When young and inexperienced constable Nicole Patterson discovers the body of a young woman in a snow-covered field, she decides to do what she can to contribute to the investigation, even though she is unauthorized and underqualified.

*The Devil's Eye* Feb 23 2020 Interstellar antiquities dealer Alex Benedict and his assistant Chase Kolpath travel to the most remote of human worlds and uncover a secret connected to a decades-old political upheaval—a secret that somebody desperately wants hidden.

**Queer Style** Aug 31 2020 Queer Style offers an insight into queer fashionability by addressing the role that clothing has played in historical and contemporary lifestyles. From a fashion studies perspective, it examines the function of subcultural dress within queer communities and the mannerisms and messages that are used as signifiers of identity. Diverse dress is examined, including effeminate 'pansy,' masculine macho 'clone,' the 'lipstick' and 'butch' lesbian styles and the extreme styles of drag kings and drag queens. Divided into three main sections on history, subcultural identity and subcultural style, Queer Style will be of particular interest to students of dress and fashion as well as those coming to subculture from sociology and cultural studies.

*Dewey* May 20 2022 Experience the uplifting, "unforgettable" New York Times bestseller about an abandoned kitten named Dewey, whose life in a library won over a farming town and the world--with over 2 million copies sold! (Booklist) Dewey's story starts in the worst possible way. On the coldest night of the year in Spencer, Iowa, at only a few weeks old--a critical age for kittens--he was stuffed into the return book slot of the Spencer Public Library. He was found the next morning by library director Vicki Myron, a single mother who had survived the loss of her family farm, a breast cancer scare, and an alcoholic husband. Dewey won her heart, and the hearts of the staff, by pulling himself up and hobbling on frostbitten feet to nudge each of them in a gesture of thanks and love. For the next nineteen years, he never stopped charming the people of Spencer with his enthusiasm, warmth, humility (for a cat), and, above all, his sixth sense about who needed him most. As his fame grew from town to town, then state to state and finally, amazingly, worldwide, Dewey became more than just a friend; he became a source of pride for an extraordinary Heartland farming community slowly working its way back from the greatest crisis in its long history.

*The Neon Graveyard* Mar 06 2021 "Pettersson's paranormal world is as original as it is compelling." —Kelley Armstrong "With a kick-ass heroine and characters who blur the line between good and evil, [Pettersson] will have readers panting for more."

—Charlaine Harris, bestselling author of the Sookie Stackhouse novels Explore the dark supernatural underside of Sin City in The Neon Graveyard—the dramatic conclusion to the dark and terrific New York Times bestselling urban fantasy series by Vicki Pettersson. The sixth and final Sign of the Zodiac, The Neon Graveyard plunges heroine Joanna Archer—heiress, prophesied savior, and former soldier for the Light—into the ultimate battle for the soul of Las Vegas, a secret war for our world that is being waged in the shadows. Fans of Kim Harrison (who calls Pettersson, "a voice that needs to be heard"), Charlaine Harris, Laurell K. Hamilton, Patricia Briggs, and Jeaniene Frost will definitely not want to miss this explosive last confrontation between the forces of Light and Shadow.

**Your Money Or Your Life** Jun 28 2020 Offers a nine-step program for living more meaningful lives, showing readers how to get out of debt, save money, reorder priorities, and convert problems into opportunities

**Women and Migration in the U.S.-Mexico Borderlands** Dec 23 2019 Women's migration within Mexico and from Mexico to the United States is increasing; nearly as many women as men are migrating. This development gives rise to new social negotiations, which have not been well examined in migration studies until now. This pathbreaking reader analyzes how economically and politically displaced migrant women assert agency in everyday life. Scholars across diverse disciplines interrogate the socioeconomic forces that propel Mexican women into the migrant stream and shape their employment options; the changes that these women are making in homes, families, and communities; and the "structural violence" that they confront in the U.S.-Mexico borderlands broadly conceived--all within the economic, social, cultural, and political interstices of the two countries. This reader includes twenty-three essays--two of which are translated from the Spanish--that illuminate women's engagement with diverse social and cultural challenges. One contributor critiques the statistical fallacy of nativist discourses within the United States that portray Chicana and Mexican women's fertility rates as "out of control." Other contributors explore the relation between sexual violence and women's migration from rural areas to urban centers within Mexico, the ways that undocumented migrant communities challenge conventional notions of citizenship, and young Latinas' commemorations of the late, internationally renowned singer Selena. Several essays address workplace intimidation and violence, harassment and rape by U.S. border patrol agents and maquiladora managers, sexual violence, and the brutal murders of nearly two hundred young women near Ciudad Juárez. This rich collection highlights both the structural inequities faced by Mexican women in the borderlands and the creative ways they have responded to them. Contributors. Ernestine Avila, Xóchitl Castañeda, Sylvia Chant, Leo R. Chavez, Cynthia Cranford, Adelaida R. Del Castillo, Sylvanna M. Falcón, Gloria González-López, María de la Luz Ibarra, Jonathan Xavier Inda, Rosa Linda Fregoso, Jennifer S. Hirsch, Pierrette Hondagneu-Sotelo, Eithne Luibheid, Victoria Malkin, Faranak Miraftab, Olga Nájera-Ramírez, Norma Ojeda de la Peña, Deborah Paredez, Leslie Salzinger, Felicity Schaeffer-Grabiell, Denise A. Segura, Laura Velasco Ortiz, Melissa W. Wright, Patricia Zavella

*Soul-Mates Forever* May 08 2021 'Love ...captures us in a moment and changes us forever' When love isn't enough to break through the walls that were built so long ago, how is true happiness ever found? Paxton Davenport built these walls when every guy she met only wanted her gorgeous body. Her modeling career really takes off after returning to L.A. from her best friend's wedding. But her thoughts continually plague her of the hot rocker, Tucker Williams, who pursued her both times she visited her friend. Her rich parents have never provided the attention or love she needed growing up. She is considered your typical 21 year old rich bitch, snooty to most but deep inside she is the most loving and caring person you could ever know. Tucker, or Tuck as everyone knows him, grew up in a house where a normal day was seeing his parents drugged out, no food to be found and finding solace in his guitar. His mom ending up in prison and his dad dying from an overdose leads him to falling in with the wrong crowd. With the help of friends, at the age of 22, he finds himself as a tattoo artist by day, the leader of a Rock band (Razers Edge) by night. He falls head over heels for Paxton one night when the band is playing at Barton's bar but she won't give him the time of day. Will Tuck ever get through Paxton's walls or annoy the hell out of her trying? \*Due to strong language and sexual content, this book is not intended for readers under the age of 18

**Green Beginnings** Jun 21 2022 Written for newcomers and professionals alike, this book shares the husband and wife authors' experience building a LEED Silver home in a refreshing approach to help others understand green homes.

**Freeman Footnotes** Nov 02 2020

*Love Remembers* Oct 25 2022 Newly Released Version Forty-seven million adults presently suffer from Alzheimer's. This number will only increase. Employ the methods shared in this important book to keep yourself mentally well and to help loved ones who may suffer memory loss. In 400 BC, Aristotle taught memory improvement by using "visual, sensory, auditory, tactile modes, with an emotional component." Vicki Mizel uses the same approach, updated for our contemporary world. When no one believed the brain could regenerate, she was improving the brain function of Alzheimer's patients, successfully helping them recall information. Her pioneering work, starting in 1984, has now been verified by the medical profession. The brain can regenerate! You can start now employing memory methods to exercise and assist brain function. Daily practice of only five to ten minutes can help prevent memory loss from worsening. Eventually, if 60 percent of our baby boomers are in nursing homes, debilitated because of Alzheimer's, it could bankrupt our economy, disrupt families, and ruin lives that might have remained active into old, old age. Vicki Mizel's book offers her proven memory methods to you now.

**Over Hexed** Dec 03 2020 Until their unconventional techniques landed them in hot water, Dorcas and Ambrose were the matchmaking sex therapists for lovelorn witches and wizards. The Grand High Wizard has exiled them to the very conventional and unmagical town of Big Knob, Indiana, Pop. 947. But that doesn't mean they've given up matchmaking... Now they're doing it for mere mortals—although all agree: Sean Madigan is something of a god. Because he's tired of being the town sex object, Dorcas and Ambrose strip him of his appeal and then introduce him to his destiny, Maggie Grady. This time winning a girl's heart won't be so easy for Sean. It means rediscovering the charms buried beneath a gorgeous surface, and finally proving himself to be more of a man than ever before.

**Wimbledon Green** Sep 24 2022 The "greatest collector" of comic books falls under the gaze of this humorous graphic novel, which explores the world of adults who obsess over comic books.

**It's Not Your Fault, Koko Bear** Oct 21 2019 KoKo Bear Can Help Children \* learn what divorce means \* deal with changes in their everyday lives \* talk about their feelings \* recognize that their feelings are natural \* be assured that their parents still love them and will take care of them \* understand that divorce is not their fault

**Light and Layered Knits** Apr 19 2022 Create fluid, fashionable garments you'll wear over and over again! Best-selling author Vicki Square returns, this time creating beautiful garments made from comfortable fibers and light yarns. These are more than simply projects to make—they are truly knits to live in. The 19 patterns of Light & Layered Knits work in all climates, can be layered and removed at will, and are equally at home in a casual or workplace setting. Working with lightweight yarns in fibers such as silk, linen, cotton, and bamboo, Vicki creates pieces that will appeal to knitters of all ages. These versatile wardrobe staples—shells, fluid tops, draped tunics, light cardigans, wrap sweaters, and more—reflect the way that women dress today. What's more, most of them are conveniently sized for up to a "46" to "48" bust circumference.
