Winner of the 2016 National Jewish Book Award for Fiction A poignant tale about the enduring friendship between two men under the shadow of the Second World War. Gustav Perle grows up in a small town in Switzerland, where the horrors of the Second World War seem only a distant echo. An only child, he lives alone with Emilie, the mother he adores but who treats him with bitter severity. He begins an intense friendship with a Jewish boy his age, talented and mercurial Anton Zweibel, a budding concert pianist. The novel follows Gustav's family, tracing the roots of his mother's anti-Semitism and its impact on her son and his beloved friend. Moving backward to the war years and the painful repercussions of an act of conscience, and forward through the lives and careers of the two men, one who becomes a hotel owner, the other a concert pianist, *The Gustav Sonata* explores the passionate love of childhood friendship as it is lost, transformed, and regained over a lifetime. It is a powerful and deeply moving addition to the beloved oeuvre of one of our greatest contemporary novelists. Lev is on his way to Britain to seek work, so that he can send money back to eastern Europe to support his mother and little daughter. A young Indian woman, accompanied by her infant and her cruel husband, experiences joy and heartbreak when she joins the Lewis and Clark expedition seeking a way to the Pacific. Merivel is an unforgettable hero—soulful, funny, outrageous and achingly sad. His unmistakable, self-mocking voice speaks directly to us down the centuries. From the Orange Prize – winning author Rose Tremain comes a brilliant and picaresque novel of seventeenth-century England. In the wake of the gaudy years of the Restoration, Robert Merivel, physician and courtier to Charles II, faces the agitations and anxieties of middle age. Questions crowd his mind: has he been a good father? Is he a fair master? Is he the King ' s friend or the King ' s slave? In search of answers, Merivel sets off for the French court of Versailles, where—inevitably—misadventures ensue. Raised in the steamy bayous of New Orleans in the early 1900s, LeRoi "King" Tremain, caught up in his family's ongoing feud with the rival DuMont family, learns to fight. But when the teenage King mistakenly kills two white deputies during a botched raid on the DuMonts, the Tremain's fear of reprisal forces King to flee Louisiana. King thus embarks on an adventure that first takes him to France, where he fights in World War I as a member of the segregated 369th Battalion—in the bigoted army he finds himself locked in combat with American soldiers as well as with Germans. When he returns to America, he battles the Mob in Jazz Age Harlem, the KKK in Louisiana, and crooked politicians trying to destroy a black township in Oklahoma. King Tremain is driven by two principal forces: He wants to be treated with respect, and he wants to create a family dynasty much like the one he left behind in Louisiana. This is a stunning debut by novelist Guy Johnson that provides a true depiction of the lives of African-Americans in the early decades of the twentieth century. Birdy and the others in the Civilian Affairs Battalion are supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it: WAR. Certain that she is really a male trapped in a female's body, Mary Ward pursues this elusive identity, much to the consternation of her mother, her brother, and a neighbor's son, in an acclaimed novel shortlisted for the Booker Prize. There he will live out his years, fashioning silver cups and basins and other fine ware for the well-to-do of Boston society. However, fate or providence has different plans for Johnny Tremain. Finally securing employment at The Boston Observer newspaper, Johnny soon finds himself caught up in the on-going struggle between Boston's anti-British Whigs and pro-British Tories. In addition to delivering The Observer throughout Boston and the outlying towns, Johnny begins delivering letters for Sam Adams and The Boston Committee of Correspondence, the secret communications network of the American rebels. When Boston is occupied by British soldiers in retaliation for the Boston Tea Party, the struggle against England intensifies.
