Can't meditate? Knees killing you? Misplaced the present moment? Let *Falling Into Easy* make meditation simple, practical and accessible. For years, we've heard about the benefits of meditation. Spiritual teachers describe the benefits of a quiet mind, psychologists advise us not to be ruled by our wild thoughts, our mothers tell us we should learn to relax, and even neuroscientists extol the benefits of a regular meditation practice. There is only one confusing and all-too-familiar dilemma: How exactly does one meditate? *Falling Into Easy* offers a way for both novice and seasoned meditators to land right smack in the middle of the present moment—with very little effort or travel required. Through a discussion of the simple mechanics of meditation, coupled with instructive metaphors, readers will learn to meditate with ease and a sense of familiarity. *Falling Into Easy* reveals the greatest paradox of meditation. Readers set out to gain something new, but in actuality, they will discover something they've always possessed: a peaceful state of well-being, simply and naturally accessed with every successive breath. Provides reproducible activities designed to help students find errors in spelling, punctuation, capitalization, and grammar. Offers entries for over six thousand idioms, including seven hundred new to this edition, and provides background information, additional cross-references, and national variants. Nutritional cleansing is the single most powerful way for your body to heal and regenerate itself. Author Scot Ohlgren shows how he has gone 26 years without a single antibiotic or prescription drug, using a simple and nourishing cleansing system described in this book. It's easy, flexible, and fits into any working person's lifestyle. This is a must read for anyone interested in a drug-free, pain-free life. For ages 10-15. Can Krenn find her own true family, and will she like them if she does? Why do people keep wanting to kill her, and how can she make them stop? This is a West Country tale that takes place five thousand years ago, when some things were very different but some the same as they are now. You can read this as an adventure story, as an account of a girl's struggle to find out who she really is, or even as a picture of life five thousand years ago, when men and women very like ourselves thought it was absolutely right and proper to kill other people and offer them to the gods. Was this Stone Age or Bronze Age? Both, in different places. It depended where you lived and how far the newest fashions in farming and manufacture had got. Krenn and her foster-brother Jinsy find themselves caught between these two cultures, and forced to help build the great stone circle at Stonehenge. Join Krenn and Jinsy on their great journey from Withypool in Somerset to Stonehenge and discover West Country life in the beginning. Based on a true story, this novel takes the reader on a journey with a small town newspaper reporter as she tries to unravel unethical and unorthodox medical practices of an infertility specialist. Lake Tahoe is the setting where three women face personal and physical challenges with the "help" of a trusted physician who has his own goals and agenda. Paramedic with a passion! A&E doctor Byron Black hoped to make a new life for himself and his daughter. Maybe even date a little. As a single parent, it had been too long. He knew he would cope with the pace of the emergency department, but was unprepared for the overwhelming passion that hit him when he met paramedic Hayley Kennett. Drawn into an intense and secret affair, Hayley realized, too late, Byron could offer nothing more. He lost his heart when he lost Tori's mother. Having reawakened his ardor, Hayley now had to rescue his emotions. Welcome to the Hillbilly

THE JOY LADDER: AN IRREVERENT GUIDE TO LIVING A JOYOUS LIFE slices through the FLAPDOODLE surrounding human potential and spirituality. It's simple, practical, shockingly common sensical, and most important, FUN! It declares that we are all meant to live lives of OUTRAGEOUS JOY; and many don't because they have been conditioned to believe that, while this may be possible for some few lucky souls, it is not attainable for them. It shows how we have been LED DOWN THE GARDEN PATH about how life works and why things happen to us. We attract situations and experiences, they don't just happen to us! Whatever you have been experiencing - YOU HAVE BEEN ATTRACTING! And that's great news because changing your life is totally in your hands! THE JOY LADDER is a breath of fresh air for those who do not resonate with the current messages on human potential because they intuitively know that, while there may be some whiffs of inspiration, the pervading odor is one of a busy cow pasture in the middle of summer! It is not another love, light and peace, airy-fairy new-age, babble speak book. It's a practical guide to living a dynamic, vital, enthusiastic and joyful life. And you won't need to join a religion or meditation group, stand on your head, pray to strange gods, or eat Tofu (unless you like Tofu). Please see the Joy Ladder website. From roller rinks and record players to coin-operated condom dispensers and small-town mobsters, Till the Wheels Fall Off is a novel about an unconventional childhood among the pleasures and privations of the pre-digital era. It's the late 1980s, and Matthew Carnap is awake most nights, afflicted by a potent combination of insomnia and undiagnosed ADHD. Sometimes he gazes out

his bedroom window into the dark; sometimes he wanders the streets of his small southern Minnesota town. But more often than not, he crosses the hall into his stepfather Russ's roller rink to spend the sleepless hours lost in music. Russ's record collection is as eclectic as it is extensive, and he and Matthew bond over discovering new tunes and spinning perfect skate mixes. Then Matthew's mother divorces Russ; they move; the roller rink closes; the twenty-first century arrives. Years later, an isolated, restless Matthew moves back to his hometown. From an unusual apartment in the pressbox of the high school football stadium, he searches his memories, looking for something that might reconnect him with Russ. With humor and empathy, Brad Zellar (*House of Coates*) returns with a discursive, lo-fi novel about rural Midwestern life, nostalgia, neurodiversity, masculinity, and family—with a built-in soundtrack. The author of *Video Night in Kathmandu* ups the ante on himself in this sublimely evocative and acerbically funny tour through the world's loneliest and most eccentric places. From Iceland to Bhutan to Argentina, Iyer remains both uncannily observant and hilarious. Mackenzie's *Ten Thousand Receipts*, published in 1865, aimed to provide the reader with all practical household recipes. As he notes, "In truth, the present volume has been compiled under the feeling, that if all other books of Science in the world were destroyed, this single volume would be found to embody the results of the useful experience, observations, and discoveries of mankind during the past ages of the world." USA Today Bestselling Author, W.J. May brings her international bestselling series together in a box set limited edition collection! *The Queen's Alpha* brings you deeper into the world of shifters, fae, and magic. *The Queen's Alpha Box Set Books #1-3 ETERNAL - Book 1* She will fight for what is hers. When the king is murdered, Katerina, his only daughter, must flee for her life. She finds herself on a strange and dangerous path. Alone for the first time, she's forced to rely upon her wits and the kindness of strangers, while protecting her royal secret at the same time. Because she alone knows the truth. It was her brother who killed the king. And he's coming for her next. Alone and struggling, she finds herself an instant target until a mysterious protector comes to her aid. Together, and with a collection of the most unlikely friends, the group must navigate through an enchanted world just as fantastical as it can be deadly. But time is not on their side. With her brother's assassins closing in at every turn, Katerina must unlock a secret that's hidden deep inside her. The only thing strong enough to keep the darkness at bay. Can she find the answers she needs? Will she ever take her rightful place on the throne? Only one thing is certain: she's running out of time. Be careful who you trust. Even the devil was once an angel. *EVERLASTING - Book 2* I will fight for those I love. When the crown prince puts a bounty on her head, Katerina and the gang find themselves facing trouble at every turn. It's a race to get the safe house in time, but will they pull together to work as a team, or will their differences pull them apart? Strengths and weaknesses are put to the test, as Katerina is plunged headfirst into a magical world she never knew existed. Fiction becomes reality, as the characters from her childhood fairytales come to life, bringing with them secrets she could never have imagined. Her bloodline gives her the right to call herself their queen, but is the division between the royal family and the magical kingdom too great? How can she mend the damage of the past? More importantly... can she be the one to unite her people? *UNCEASING - Book 3* She will fight for what is hers. When their sanctuary suddenly becomes a prison, Katerina and the gang must work together to save not only themselves, but everyone else in the remote, alpine retreat. Secrets are revealed and new identities are discovered as the princess delves into her past, uncovering things she never thought possible. Awakening a hidden power buried within. The stakes have never been so high, and everyone's a target. Can the princess unlock the ancient magic in time? Can they find a way off the mountain before disaster strikes? Most importantly, in a world where everyone's out to get them... Who can they trust? *Queen's Alpha Series: Eternal Everlasting*
