Once in a Blue Moon Oct 28 2022 Inspired by the expression “once in a blue moon,” Danielle Daniel has created a book of short poems, each one describing a rare or special experience that turns an ordinary day into a memorable one. She describes the thrill of seeing a double rainbow, the Northern Lights or a shooting star as well as quieter pleasures such as spotting a turtle basking in the sun or a family of ducks waddling across the road. In simple words and delightful naïve images, *Once in a Blue Moon* celebrates the magical moments that can be found in the beauty and wonders of nature. With the same simple yet sophisticated design as Danielle's award-winning picture book *Sometimes I Feel Like a Fox*, this book is a very accessible and inviting introduction to poetry for young readers.

Once in a Blue Moon Lodge Aug 26 2022 Set adrift when her mother sells the salon that has been a neighborhood institution for decades, Nora Rolvaag takes a camping trip, intending to do nothing more than roast marshmallows over an open fire and under a starry sky. Two chance encounters, however, will have enormous consequences, and her getaway turns out to be more of a retreat from her daily life than she ever imagined. But Nora is the do-or-die-trying daughter of Patty Jane, who now must embrace the House of Curl's slogan: “Expect the Unexpected.” With her trademark wit and warmth, Lorna Landvik follows Nora and an ever-growing cast of characters between city and wooded retreat, Minnesota and Norway, a past that's secret and a future that's promising, but uncertain. Responding to a mysterious letter with a Norwegian postmark, Nora's grandmother Ione travels to her native land to tend to a dying cousin and her husband—two people who played a painful, pivotal role in her past. Nora accompanies her and is surprised by her grandmother's long-ago love story—but even more surprised by the beginning of her own. A book about making new beginnings out of old endings, *Once in a Blue Moon Lodge* invites readers to check in, set down their baggage, and spend time with the kind of people who understand that while they can't control all that life throws at them, they can at least control how they catch it. And as anyone who has stopped in at Patty Jane's House of Curl will tell you: you're in for a rollicking good time with characters whose strengths, foibles, and choices will have you laughing and crying. Hankerings for coffee and gingerbread cookies may also be experienced.

Once in a Blue Moon Apr 22 2022 *Once in a Blue Moon* is the story of one man's never-ending affair with Manchester City. Be it playing, watching or managing, Steve 'Worthy' Worthington's life in football has never been easy. Having suffered an almost fatal road accident in the week before his ninth birthday, any aspirations for global stardom as a player were crushed beneath the wheels of a speeding Triumph Spitfire in 1971. As a spectator he fared no better. Over the years Manchester City and England addicts have experienced many disappointments - most of which he was there to see. As manager of his beloved Sunday League club Lee Athletic, success was a word used only on the odd occasion when he persuaded his team to turn up sober and in time for kick-off. But two things that have always kept him going were his love of the local 'Indie' music scene and an ability to find humour during the darkest of times. Join him on a vivid journey that takes you into the beating heart of 1960s and '70s working class Manchester: through five decades of football (and a bit of cricket), music and people, in the eyes and ears of an everyday bloke who turned constant failure into final triumph.

Girl in a Blue Dress Apr 29 2020 The celebrated debut novel inspired by the life and marriage of Charles Dickens Alfred Gibson's funeral is taking place at Westminster Abbey, and his wife of twenty years, Dorothea, has not been invited. The Great Man's will favours his children and a clandestine mistress over the woman he sent away when their youngest child was still an infant. Dorothea hasn't left her small apartment for years, and accepts her exclusion — until an invitation to a private audience with Queen Victoria arrives. The exhilaration of finding that she has much in common with the most powerful woman in England spurs Dorothea to examine her own life more closely. Her recollections uncover deviousness and the frighteningly hypnotic power of the genius she married, but also raise questions about her own complicity in her unhappiness. Questions that finally compel her to face her grown-up children and the two women she has long felt stole her husband: her own younger sister, Sissy, and the charming actress, Miss Ricketts. This remarkable debut is as wise in the ways of the human heart as it is witty and vivid in its depiction of the charismatic Alfred Gibson, and the habits, mores, and personalities of Victorian London.
