"Engages students in inquiry that leads to the discovery and understanding of a general principle they can apply to their own independent reading" -- A book that brings the habits of reading to life

Great readers are not made by genetics or destiny but by the habits they build—habits that are intentionally built by their teachers. The early formal years of education are the key to reversing the reading gap and setting up children for success. But K-4 education seems to widen the gap between stronger and weaker readers, not close it. Today, the Common Core further increases the pressure to reach high levels of rigor. What can be done? This book includes the strategies, systems, and lessons from the top classrooms that bring the habits of reading to life, creating countless quality opportunities for students to take one of the most complex skills we as people can know and to perform it fluently and easily. Offers clear teaching strategies for teaching reading to all students, no matter what level Includes more than 40 video examples from real classrooms Written by Paul Bambrick-Santoyo, bestselling author of *Driven by Data* and *Leverage Leadership*

Great Habits, Great Readers puts the focus on: learning habits, reading habits, guided reading, and independent reading. NOTE: Content DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity

an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Have you ever closed your Bible and thought, What did I just read? Or maybe you have tried to read through the Bible in a year, but quit when it felt confusing or impersonal. The Bible Recap is here to help. Tara-Leigh Cobble, host of the popular Bible Recap podcast, walks readers through a one-year chronological Bible reading plan and explains each day's passage in an easy-to-understand way. Emphasizing how God's character can be seen throughout Scripture, the recaps are simple and short yet deep enough to help you understand the hard parts and press into knowing God better. As Cobble says, The primary role of Scripture is to show me who God is, and if I behold God, my life will naturally conform around what I learn about him. The Bible Recap will not only help you understand the entire narrative of the Bible, it will fortify your faith. Despite their differences, a dog and cat become fast friends. What can change the landscape of literacy education in every classroom? The Fountas & Pinnell Literacy Continuum: Expanded Edition! The Fountas & Pinnell Literacy Continuum: Expanded Edition is the newest edition of the beloved Continuum of Literacy Learning resource by best-selling literacy authors and educators, Irene Fountas and Gay Su Pinnell. There has never been a more comprehensive resource available to teachers that does what the continuum does - provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within, beyond, and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. More in-depth, more intuitive, and more essential than ever-The Fountas & Pinnell Literacy Continuum, Expanded Edition enables teachers to construct a common vision for

student achievement that effectively and efficiently engages all students in the robust, authentic and meaningful literacy learning every child deserves. The Literacy Continuum provides a way to look for specific evidence of learning from prekindergarten through grade eight, and across eight instructional contexts. Each instructional context contributes substantially, in different but complementary ways, to students' development of the literacy process. With this indispensable literacy tool, Fountas and Pinnell remind you of The Literacy Continuum's critical role in transforming literacy teaching and learning. Contains tiered reading-response sheets enabling teachers to match the right activity to their students' reading level. Use these lessons to build developing readers' skill and desire to read, read, read! This book will be your guide as you support middle grade students who are reading two or more years below grade level. The lessons enlarge students' vocabulary and background knowledge and engage them in meaningful discussions and writing about their reading. As students' reading skill and desire to read increases, you'll watch them complete more independent reading and ramp up their reading volume—the practice they need to improve! Guided Practice for Reading Growth provides all you need to get started. Laura Robb and poet David L. Harrison have collaborated to design twenty-four powerful reading lessons using original poems and short texts that interest your students and encourage them to think deeply. The opening chapters offer background knowledge for the lessons and teaching tips, then the bulk of this book consists of lessons—with full texts and suggested videos provided. Guided practice lessons are the instructional piece that can move developing readers forward by building their self-confidence and the reading expertise needed to read to learn and for pleasure. This unique book shows you how to:

- Build students' background knowledge by watching and discussing videos.
- Use the poems to improve reading and to improve fluency through practice and performance.
- Invite students to write about their reading and increase comprehension and recall.
- Ask partners to discuss before, during, and after reading as

meaningful talk enlarges students' analytical thinking and understanding. · Design your own lessons for students with extra texts by David L. Harrison in the appendix. Use this book to develop students' self-confidence and the reading skill they require to become lifelong, joyful readers! Nikki Grimes offers a glimpse into the inspiring lives of Susan B. Anthony and Harriet Tubman, with breathtaking illustrations by Michele Wood! What if Harriet Tubman and Susan B. Anthony sat down over tea to reminisce about their extraordinary lives? What would they recall of their triumphs and struggles as they fought to achieve civil rights for African Americans and equal rights for women? And what other historical figures played parts in their stories? These questions led Coretta Scott King Award winner Nikki Grimes to create *Chasing Freedom*, an engaging work of historical fiction about two of the nineteenth century's most powerful, and inspiring, American women. With breathtaking illustrations by Coretta Scott King Award winner Michele Wood, *Chasing Freedom* richly imagines the experiences of Tubman and Anthony, set against the backdrop of the Underground Railroad, the Civil War, and the Women's Suffrage Movement. Additional back matter invites curious young readers to further explore this period in history--and the larger-than-life figures who lived it. *The Middle Grade Memoir of a Girl Boxer and Future Olympian*. In this Lean-In style inspirational memoir, twelve-year-old Jesselyn Silva offers a ringside seat to girl power and what it takes to win in the ring and in life: punch by punch. *My Corner of the Ring* shows kids what it means to be true to yourself and stick with your dreams even when facing adversity and ridicule. Supported by her single dad, Jesselyn (JessZilla in the ring) first donned her boxing gloves at seven years of age, making her one of very few female boxers in the country. *My Corner of the Ring* charts Jesselyn's oft times exhilarating and heartbreaking journey to success in a male dominated sport where she struggles to find partners to spar with and combats the viewpoint that no one wants to

see a girl fight. Despite an inhospitable environment, Jesselyn still has her sights set on the Olympics. With the help of her very dad, Pedro, who has instilled in her a strong work ethic, she just might make it. It is an exciting and motivational read that will provide kids with the roadmap and encouragement to accomplish whatever goals they set for themselves. Jesselyn's positive can-do attitude and determination make this a must read. Jan Richardson's highly anticipated update to the classic bestseller *The Next Step in Guided Reading* helps you and your students move forward." She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about

one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson's powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, transitional, and fluent Tips and techniques for teachers to use for teaching in small group situations. Contains twenty-five books about a variety of subjects that encourage beginning readers.
