A Man in Full Mar 14 2021 Big men. Big money. Big games. Big
libidos. Big trouble. A decade ago, The Bonfire of the Vanities
defined an era--and established Tom Wolfe as our prime fictional
chronicler of America at its most outrageous and alive. This time

the setting is Atlanta, Georgia--a racially mixed late-century boomtown full of fresh wealth, avid speculators, and worldly-wise politicians. The protagonist is Charles Croker, once a college football star, now a late-middle-aged Atlanta real-estate entrepreneur turned conglomerate king, whose expansionist ambitions and outsize ego have at last hit up against reality. Charlie has a 28,000-acre quail-shooting plantation, a young and demanding second wife--and a half-empty office tower with a staggering load of debt. When star running back Fareek Fanon--the pride of one of Atlanta's grimmest slums--is accused of raping an Atlanta blueblood's daughter, the city's delicate racial balance is shattered overnight. Networks of illegal Asian immigrants crisscrossing the continent, daily life behind bars, shady real-estate syndicates, cast-off first wives of the corporate elite, the racially charged politics of college sports--Wolfe shows us the disparate worlds of contemporary America with all the verve, wit, and insight that have made him our most phenomenal, most admired contemporary novelist. *A Man in Full* is a 1998 National Book Award Finalist for Fiction.

Nathan Wolfe May 16 2021 I had the perfect life jetting around the world doing a job I loved and meeting a variety of beautiful women. Women who would do anything for one night with me. I had a gift. The gift of charm and good looks. I could charm the panties off women just by staring into their eyes. I always got what I wanted with no effort. I wasn't a committed type of man with women. The word didn't exist in my vocabulary. I had the world at my fingertips, and I was flying high. Until I met a woman who took my breath away. The moment I saw her, I wanted her. Not a problem, right? Wrong. Not only was she off limits because she worked for my brother, Elijah, she wasn't interested, and she made it very clear. But that didn't stop me from pursuing her. She was a wounded little bird, and something inside me wanted to fix her. Even if it was for my own selfish reasons. The one thing I didn't count on was her turning my entire life and world upside

down, making me question everything I thought I believed in. My name is Nathan Wolfe and I am the second Wolfe brother. I moved back to New York from Chicago after my husband suddenly passed away. We were high school sweethearts, and he was the love of my life. I needed a fresh start for me and my daughter, and we needed to build a life without him. I wasn't interested in any other man and I didn't think I ever would be again. Then I met Nathan Wolfe. He was sexy, confident and charming. But he also possessed some qualities I hated in a man. We connected on a level I didn't think was possible and it paralyzed me with fear. I was stuck in reverse and I didn't know how to move forward. Could he be the man to help me let go of my past? My name is Allison Price, and this is my story. Readers 18+

Back to Blood Mar 26 2022 A big, panoramic story of the new

America, as told by our master chronicler of the way we live now. As a police launch speeds across Miami's Biscayne Bay-with officer Nestor Camacho on board-Tom Wolfe is off and running. Into the feverous landscape of the city, he introduces the Cuban mayor, the black police chief, a wanna-go-muckraking young journalist and his Yale-marinated editor; an Anglo sex-addiction psychiatrist and his Latina nurse by day, loin lock by night-until lately, the love of Nestor's life; a refined, and oh-so-light-skinned young woman from Haiti and her Creole-spouting, black-gang-banger-stylin' little brother; a billionaire porn addict, crack dealers in the 'hoods, "de-skilled" conceptual artists at the Miami Art Basel Fair, "spectators" at the annual Biscayne Bay regatta looking only for that night's orgy, yenta-heavy ex-New Yorkers at an "Active Adult" condo, and a nest of shady Russians. Based on the same sort of detailed, on-scene, high-energy reporting that powered Tom Wolfe's previous bestselling novels, BACK TO BLOOD is another brilliant, spot-on, scrupulous, and often hilarious reckoning with our times.

For the Wolf Apr 26 2022 AN INSTANT NEW YORK TIMES BESTSELLER! The first daughter is for the Throne. The second daughter is for the Wolf. An instant NYT bestseller and word-of-mouth sensation, this dark, romantic debut fantasy weaves the unforgettable tale of a young woman who must be sacrificed to the legendary Wolf of the Wood to save her kingdom. But not all legends are true, and the Wolf isn't the only danger lurking in the Wilderwood. As the only Second Daughter born in centuries, Red has one purpose—to be sacrificed to the Wolf in the Wood in the hope he'll return the world's captured gods. Red is almost relieved to go. Plagued by a dangerous power she can't control, at least she knows that in the Wilderwood, she can't hurt those she loves. Again. But the legends lie. The Wolf is a man, not a monster. Her magic is a calling, not a curse. And if she doesn't learn how to use it, the monsters the gods have become will swallow the Wilderwood—and her world—whole. "If you ever

wished Beauty and the Beast had more eldritch forest monsters and political machinations, this is the romance for you."—Alix E. Harrow, author of *The Ten Thousand Doors of January* "A brilliant dark fantasy debut!" —Jodi Picoult, NYT bestselling author
Peace Jan 12 2021 Living out his final days in a small midwestern town, an embittered elderly man, Alden Dennis Weer, explores his unique imagination, which has the power to obliterate time and reshape reality. Reprint.

Radical Chic and Mau-Mauing the Flak Catchers Aug 07 2020 *Radical Chic and Mau-Mauing the Flak Catchers* is classic Tom Wolfe, a funny, irreverent, and "delicious" (*The Wall Street Journal*) dissection of class and status by the master of New Journalism The phrase 'radical chic' was coined by Tom Wolfe in 1970 when Leonard Bernstein gave a party for the Black Panthers at his duplex apartment on Park Avenue. That incongruous scene is re-created here in high fidelity as is another meeting ground between militant minorities and the liberal white establishment. *Radical Chic* provocatively explores the relationship between Black rage and White guilt. *Mau-Mauing the Flak Catchers*, set in San Francisco at the Office of Economic Opportunity, details the corruption and dysfunction of the anti-poverty programs run at that time. Wolfe uncovers how much of the program's money failed to reach its intended recipients. Instead, hustlers gamed the system, causing the OEO efforts to fail the impoverished communities.

The Painted Word Jun 28 2022 "America's nerviest journalist" (*Newsweek*) trains his satirical eye on Modern Art in this "masterpiece" (*The Washington Post*) Wolfe's style has never been more dazzling, his wit never more keen. He addresses the scope

of Modern Art, from its founding days as Abstract Expressionism through its transformations to Pop, Op, Minimal, and Conceptual. The Painted Word is Tom Wolfe "at his most clever, amusing, and irreverent" (San Francisco Chronicle).

A Right to Die Jun 16 2021 When a bright young heiress with a flair for romance and one too many enemies is found brutally murdered, Nero Wolfe and his sidekick, Archie, find themselves embroiled in a case that is not as black and white as it first appears. Susan Brooke has everything going for her. Men would have killed themselves to marry her, and, in fact, one did. Susan came to New York to find love and fulfillment, and ended up dead on a tenement floor. The police say her black fiance did it, but Wolfe has other ideas. Before he's done, he'll prove that good intentions and bad deeds often go hand in hand and that the highest ideals can sometimes have the deadliest consequences.

A London Season Feb 10 2021 Young Lady Jane Fitzmaurice had everything that Regency society approved of—flawless beauty, perfect breeding, and a respectable fortune. But she also had a mind and heart of her own that set heads shaking and tongues wagging. Whoever heard of a well-born Miss spending more time in the saddle than in the drawing room? How could she prefer the company of David Chance, her handsome horse-trainer, to that of Julian Wrexham, the most attractive nobleman in England? Lady Jane had taken London society by storm—but now a whirlwind of scandal was rising as she rode roughshod over all conventions and prepared to take a leap that could destroy her good name, and leave her heart forever broken...

Mason Wolfe Sep 19 2021 They call me a hero. Every day I risk my life to save others, and I wouldn't trade it for anything else. Fighting fires is my passion and a job I love more than anything in the world. There is no better feeling than the adrenaline that rushes through me when I step inside a burning building. The one thing I'm not is a hero in the eyes of the women I sleep with. I'm nothing more than a one-night stand and a confirmed bachelor who happily walks away the next morning. Even a hero can be a womanizer and a partier. Challenges are my specialty, and I thrive on them. My newest challenge is a beautiful and sexy doctor named Sara Davis. She's complicated, but so am I. I was willing to break my one-night stand rule for her until my past came back to haunt me, reminding me why I had become the man I am and why I chose never to find my happily ever after. My name is Mason Wolfe, and I am the third Wolfe brother.

Hooking Up Oct 01 2022 Only yesterday boys and girls spoke of embracing and kissing (necking) as getting to first base. Second base was deep kissing, plus groping and fondling this and that. Third base was oral sex. Home plate was going all the way. That was yesterday. Here in the Year 2000 we can forget about necking. Today's girls and boys have never heard of anything that dainty. Today first base is deep kissing, now known as tonsil hockey, plus groping and fondling this and that. Second base is oral sex. Third base is going all the way. Home plate is being

introduced by name. And how rarely our hooked-up boys and girls are introduced by name!-as Tom Wolfe has discovered from a survey of girls' File-o-Fax diaries, to cite but one of Hooking Up's displays of his famed reporting prowess. Wolfe ranges from coast to coast chronicling everything from the sexual manners and mores of teenagers... to fundamental changes in the way human beings now regard themselves thanks to the hot new field of genetics and neuroscience. . . to the inner workings of television's magazine-show sting operations. Printed here in its entirety is "Ambush at Fort Bragg," a novella about sting TV in which Wolfe prefigured with eerie accuracy three cases of scandal and betrayal that would soon explode in the press. A second piece of fiction, "U. R. Here," the story of a New York artist who triumphs precisely because of his total lack of talent, gives us a case history preparing us for Wolfe's forecast ("My Three Stooges," "The Invisible Artist") of radical changes about to sweep the arts in America. As an espresso after so much full-bodied twenty-first-century fare, we get a trip to Memory Mall. Reprinted here for the first time are Wolfe's two articles about The New Yorker magazine and its editor, William Shawn, which ignited one of the great firestorms of twentieth-century journalism. Wolfe's afterword about it all is in itself a delicious draught of an intoxicating era, the Twistin' Sixties. In sum, here is Tom Wolfe at the height of his powers as reporter, novelist, sociologist, memoirist, and-to paraphrase what Balzac called himself-the very secretary of American society in the 21st century.

[The Bonfire of the Vanities](#) May 28 2022 Vintage Tom Wolfe, The Bonfire of the Vanities, the #1 bestseller that will forever define late-twentieth-century New York style. "No one has portrayed New York Society this accurately and devastatingly since Edith Wharton" (The National Review) "A page-turner . . . Brilliant high comedy." (The New Republic) Sherman McCoy, the central figure of Tom Wolfe's first novel, is a young investment banker with a

fourteen-room apartment in Manhattan. When he is involved in a freak accident in the Bronx, prosecutors, politicians, the press, the police, the clergy, and assorted hustlers high and low close in on him, licking their chops and giving us a gargantuan helping of the human comedy, of New York in the 1980s, a city boiling over with racial and ethnic hostilities and burning with the itch to Grab It Now. Wolfe's novel is a big, panoramic story of the metropolis that reinforces the author's reputation as the foremost chronicler of the way we live in America.

Wolf Hall Jul 30 2022 In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.
